Dear Hiring Manager,

As a passionate Developer and long-time fan of Bending Spoons, I was elated to see an opening for a Frontend Developer role. I have experience in HTML, CSS, JavaScript, React(Redux), Vue(Vuex),Nodejs(Express), MongoDB. Combined with my recent projects and courses in front-end web development, I am confident I have the skills to help Bending Spoons Company succeed.

I have always been passionate about web development, which led me to pursue a numerous courses on Udemy and Coursera and learn by myself to constantly improve and gain new knowledge. I am constantly seeking out new technologies and staying up-to-date on trends in the industry. Bending Spoons Company has created some of the most innovative websites in the world, and I would be so thrilled to join the team as a Frontend Developer.

Similar to Bending Spoons Company, I am dedicated to building easy-to-use, user-friendly websites, and applications. I am inspired by the work that Bending Spoons Company does. I want to bring my experience in web development and my passion for finding creative solutions to help Bending Spoons Company excel.

I have attached a copy of my resume detailing my education and experience. I can be reached anytime by phone at +381644418792 or email at radisav80@yahoo.com. Thank you for your time and consideration. I look forward to speaking with you soon.

Sincerely, Ivan Radisavljevic
